**True copy of the order dtd.22.10.2005 passed by the Commission
in Case No.38 of 2005**

Dt.22.10.2005 : Mr. R.R. Das, Director (F), OHPC is present for the petitioner. Heard on the question of admission. We find no merit to review the order dt.10.06.2005 passed by the Commission. But Mr. Das submitted that while he does not seriously submit for review of the said order, he wants some clarifications with regard to secondary energy charges and creation of separate fund as enumerated in paragraph – 2 of his petition. That being so, for the interest of justice while admitting the case not on the question of review, we pass the following order regarding the secondary energy charges and creation of separate fund which is as follows: -

The revenue out of the sale of secondary energy may remain as part of normal fund of OHPC but shall be utilised to replenish the shortfall in revenue due to less generation by OHPC in years of hydrological failure to provide necessary comfort to the consumers of the state in accordance with para 6.5 (e) of our order dt.10.06.05.
