M/s. Arun Power Projects Ltd.

.... **Respondent**

**In the matter of :      Approval of the PPA executed between M/s. Arun Power Projects Ltd. & GRIDCO Ltd., Bhubaneswar.**

**Dt.05.07.2006 :** Mr. Laxmidhar Mohapatra for GRIDCO and Mr. K.C. Sahu, Advocate for the respondent are present. Heard both sides at length. The petitioner entered into an agreement (PPA) for purchase of power from the respondent on single part tariff basis. Both sides have duly signed the agreement. The petitioner GRIDCO has filed the present case for approval of the said PPA. During the last hearing on 01.06.2006, the respondent raised certain objections at the last moment. Having raised objection at the time of the hearing of the case after duly executing the agreement, the parties were directed to resolve the issue between them round the table. Accordingly the matter is being placed today for hearing for approval of the PPA on single part tariff basis. During the course of hearing it is pointed that the matter has been solved between the parties and accordingly the respondent has filed a petition intimating the Commission that the respondent is willing to sale the power on single part tariff basis. That being so we approve the PPA as agreed between the parties.
