Case Nos.163 /2010

M/s SOUTHCO ... Petitioner

In the matter of: Application for rationalization of Retail Supply Tariff FY 2010-2011.

For the petitioner : Mr. M. K. Mohapatra, Advocate on behalf of SOUTHCO.

Date of Hearing: 29.12. 2010

Date of Order :25.01.2011

ORDER

1. The case came up before us today for admission. The learned advocate for the petitioner submitted that the Retail Supply Tariff Order 2010-11 needs rationalisation .He further prayed to the Commission to take into account the suggestions of SOTUHCO for rationalisation of the said order. We find that the present petition is suggestive in nature for improvement of our current tariff order for FY 2010-11. We find that this petition in fact is an appeal in disguise. The Commission can not be an appellate authority against its own order. SOUTHCO has also submitted the same suggestion towards rationalisation of tariff in their ARR & Tariff application for FY-2011-12 which has been registered as Case No.- 149/2010 and is under active consideration of the Commission. In view of the above there is no need to rehear the matter now which will be heard during forthcoming tariff hearing for FY-2011-12. In spite of this, if SOUTHCO is still aggrieved against our tariff order for FY 2010-11, they can move ATE for redressal. Therefore, the case is not admitted.
2. The matter is disposed of accordingly.
