**Date of Order: 04.04.2012**

1. The case came before us for hearing today.
2. Mr. A K Bohra, CEO, CSO submitted before us the question of subsidy under Section 65 of the Electricity Act, 2003 for rural electrification work under taken by the Government under different schemes. The representative of Govt. of Odisha stated that the view of the Govt. in this regard has already been communicated to the Commission during tariff proceeding for FY 2012-13. The Commission is of the view that since the above issue have been dealt by the Commission in the last tariff order

there may not be any need for further redressal. However, the Commission have raised the tariff of Kutir Jyoti consumers from Rs.30 to Rs.60 per month for a consumption of 30 units in a month. Therefore, the petition in the present form has lost much of its relevance and the same is disposed of accordingly. However, the licensees are at liberty to file fresh application in future, if any such need arises.

3. The case is disposed of accordingly.
