SLDC & Others	...	Respondents

IN THE MATTER OF : An application for allocation of power drawal to NESCO on the basis of approved energy (MU) instead of in proportion of approved SMD for FY 2012-13.

ORDER

Date of Order: 13.06.2016

WESCO Utility and NESCO Utility (erstwhile WESCO and NESCO) have filed two separate petitions seeking direction of the Commission to SLDC to allocate power drawal schedule on the basis of SMD approved by the Commission vide Lr. No. 3427 dated 29.05.2012. In the said letter had been written by the Commission on the basis of earlier direction of the Commission in Case No.50/2010 wherein the Commission had SLDC to allocate the implementation schedule on the basis of SMD allowed for each DISCOM rather than allocation on the basis of quantum of approved energy.

Both the Utilities have prayed for revision of the UI bill on the basis of the said Order of the Commission. The cases were heard analogously.

2. During pendency of these cases the Commission in Case No. 40/2013 (GRIDCO Ltd. Vrs. CESU & Others) has dealt elaborately the billing procedure for settlement of UI

charges.. Therefore, the Petitioners and the Respondents are directed to reconcile the UI bill on the basis of our orders in Case No.50/2010 and 40/2013. Therefore, there is no need to continue further with this proceeding.

3. The cases are accordingly disposed of.
