2. Heard the parties at length. After perusal of the case records, the Commission opines that there is no need to entertain the present application of TPNODL for additional CAPEX for approval as it has already been decided by the Commission in the above case. However, the applicant can seek administrative instruction through a letter to this Commission in this regard considering its urgency. TPNODL may incorporate the present prayer in the ensuing Capex proposal for approval of the Commission.
