Sir,

I am directed to inform you to publish the corrigendum both in English and Oriya in the same newspaper where the public notice relating to tariff matter were published. The corrigendum is noted below: -

The sentence like **“in compliance with the directions of the Commission”** be added after the word Regulations, 2004 by putting one comma instead of full stop i.e. after the two lines at the top of the first page.

Yours faithfully,

**Secretary**
