

Note # 1

Sir,

As instructed, the In-Principle approval to the proposal for **Construction of 132kV S/C line through UG Cabling from 220/132/33kV GSS Narendrapur to 132/33kV GSS Chhatrapur, with one no. of 132kV bay extension at both ends, Narendrapur & Chhatrapur** is hereby submitted for kind perusal.

Scope of work

1. Construction of 132kV S/C line through UG Cabling from 220/132/33kV GSS Narendrapur to 132/33kV GSS Chhatrapur - Route length 18.5 Kms approx.
2. One no. 132kV bay extension at 220/132/33kV GSS, Narendrapur.
3. One no. 132kV bay extension 132/33kV GSS Chhatrapur.

The tentative cost of proposed 132kV S/C line through UG Cabling from 220/132/33kV GSS Narendrapur to 132/33kV GSS Chhatrapur with one no. 132kV bay extension at both ends comes to **Rs 177.44 Cr.** The details of tentative cost is attached as Annexure-III. The Draft along with other enclosure are attached for taking further necessary action.

Put up for kind perusal.

Note # 2

Notes above may please be seen,

In-principle approval is solicited to the proposal for Construction of 132kV S/C line through **UG Cabling** from **220/132/33kV GSS Narendrapur** to **132/33kV GSS Chhatrapur**, with one no. of 132kV bay extension at both ends, Narendrapur & Chhatrapur (approx. line length 18.5 km) along with one number 132 kV bay extension at each ends, i.e., at Narendrapur GSS and Chhatrapur GSS.

The tentative project cost for the above work is **Rs. 177.44**

Crore, as detailed in Annexure-III.

The proposal is submitted for kind perusal and in-principle approval.
