

NOTE SHEET - 1
ROURKELA MUNICIPAL CORPORATION
ROURKELA

SE.

The Raurkela Municipal Corporation (RMC) had successfully commissioned the project "Setting up of Bio-Methanation-cum-Electric Generation Plant" on 18.12.2025.

After successful commissioning of the said project, the provisional tariff of Rs. 6.57/kWh was approved by the Odisha Electricity Regulatory Commission (OERC), and subsequent, the Draft Power Purchase Agreement (PPA) was executed with GRIDCO on 01.07.2026.

Now, the Project-Specific Levelised Tariff has been worked out at Rs. 7.96/kWh, and the Draft Petition has been prepared in consultation with our Advocate, Satya Bhusan Rath.

Accordingly, the Project-Specific Levelised Tariff of Rs. 7.96/kWh, along with the Draft Petition, is hereby submitted for kind consideration and approval. Upon approval, the same will be submitted before the Odisha Electricity Regulatory Commission (OERC) through our Advocate, Satya Bhusan Rath, for final approval.

This is submitted for your kind information and necessary action.
