Sub: Proposal of Rourkela Municipal Corporation (RMC) for Setting up of 40 KW Bio-Methanation plant

Ref: Your proposal submitted for 40 KW Bio-Methanation Plant vide no. 4977 dated 05.05.2023.

Sir,

With reference to the subject cited above, the Single Window Committee (SWC) in its meeting held on 07.07.2023 in principle approved your proposal for setting up of 40KW Bio-Methanation Plant at Rourkela, in the district of Sundergarh with the following stipulations:

- The developer following applicable laws & procedure shall arrange requisite land for the project. In case of IDCO land allotted for industrial purpose, the developer shall obtain NOC from IDCO. Developer will also adhere to land allotment conditions like green area cover etc. mentioned in IDCO allotment letter.
- For Power evacuation, connectivity & metering arrangement, the Developer shall obtain prior permission from OPTCL/TPWODL for commissioning/ termination & charging of line/ project.
- Total energy generated from the Bio- Methanation Plant shall be purchased by GRIDCO in FIT as per OERC regulations/ Order.

- iv. SWC clearance shall also not be construed in any way as a form of guarantee for financing/ funding from Banks/ FIs. The Banks/ FIs need to do their own due diligence.
- v. All safety measures including electrical safety provisions shall have to be strictly followed by the developer in accordance with the prevailing Government rules & regulations.
- vi. The permission for commissioning of the plant will be valid for a period of two years from the date of communication by Nodal Agency, after which it shall be deemed to have lapsed.
- vii. The Developer is required to submit the detail project schedule with earmarked milestones of major activities within a fortnight from the date of allotment and subsequent progress report on monthly basis.
- viii. Copies of connection agreement, electrical safety inspection and date of synchronization shall be submitted/ intimated to RE Nodal Agency, GRIDCO.
- ix. The developer will be eligible for availing incentives as per OREP 2022 and need to follow the due application procedure prescribed by the Nodal Agency.

This is for your information and necessary action please.

Yours faithfully

31/1/2023
Director (F&CA)
